SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

BOX DD

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Pursuant to Rules 37 C.F.R. Sec. 1.97-1.98 and in compliance with the duty of disclosure set forth in 37 C.F.R. 1.56, applicants hereby file the following Information Disclosure Statement.

In the judgment of the undersigned, the references listed on the attached form PTO SB/08A may be material to the Examiner's consideration of the presently pending claims. However, no representation is intended here as to the relative relevance of any portion of the references. This statement is also not representation that any of the listed references have effective dates early enough to be prior art within the meaning of 35 U.S.C. § 102-103. Copies of the references are enclosed. The references were cited in the various parent applications of the above-identified application by the United States Patent Office.
